Seller's Limited Warranty.

Seller hereby warrants the following:

Should the animal purchased under this agreement be diagnosed by a board certified specialist as being affected by hereditary defects of the hips, elbows, eyes and/or heart, the Seller is willing to take the puppy back and replace it with a puppy from another breeding, so long as said diagnoses and request for replacement happen within two (2) years of the animal's birth date.

Reasonable precautions have been taken to prevent this puppy from acquiring hereditary defects of the hips, elbows, eyes and heart. However, due to unknown hereditary and environmental causes of such unknown defects, no guarantee will be given against them.

Due to recent research implicating an extraordinarily higher incident of hip dysplasia, elbow dysplasia, hemangiosarcoma and lymphosarcoma in golden retrievers that have been spayed or neutered this limited warranty is null and void if the puppy is spayed or neutered at anytime within the first 18 months, unless expressed written permission is granted by seller at seller's discretion PRIOR to spay/neuter procedure is performed.

This limited warranty is given only to the original purchaser of the animal sold under this agreement. This limited warranty is the **only** warranty given on the animal purchased under this agreement.

Buyer hereby acknowledges that he/she understands the terms and conditions of the above presented Seller's Limited (pet) Warranty.
